

Device Name	Max of Device Weight	Min of Device Weight	Avg of Device Weight	Number of Cautions	Number of Warnings
<input type="checkbox"/> Blood Pressure Monitor	7.92	1.08	4.60	13	11
<input type="checkbox"/> Catheter	Device Lifetime (Years)				
<input type="checkbox"/> CPAP Machine	Patient Polulation				
<input type="checkbox"/> Defibrillator	First Manual Version				
<input type="checkbox"/> Dialysis Machine	Last Manual Version				
<input type="checkbox"/> Digital Thermometer	Version 9				
<input type="checkbox"/> ECG Machine	102				
<input type="checkbox"/> Electrosurgical Unit	2020-01-V				
<input type="checkbox"/> Infusion Pump	Version 9				
<input type="checkbox"/> Insulin Pump	9				
<input type="checkbox"/> Nebulizer	101				
<input type="checkbox"/> Orthopedic Implant	45				
<input type="checkbox"/> Pacemaker	Count of Regulatory_Approval_ID				
<input checked="" type="checkbox"/> Patient Monitor	Count of Model_Number				
<input type="checkbox"/> Pulse Oximeter	Count of Manufacturer				
<input type="checkbox"/> Stent	Not to use				
<input type="checkbox"/> Surgical Drill	Not suitable for use with vasoconstrictors or in extreme temperature environments.				
<input type="checkbox"/> Surgical Robot	Last Contraindications				
<input type="checkbox"/> Syringe Pump	First indication for Use				
<input type="checkbox"/> Ultrasound Scanner	Designed for blood transfusion facilitation in telemedicine and remote patient monitoring.				
<input type="checkbox"/> Ventilator	First Indications_for_Use
